Franklin College Field-Day Games Played Yesterday - Other Commencement Events.

Special to the Indianapolis Journal. GREENCASTLE, Ind., June 12 .- During the past three years the senior class at DePauw has departed from the old system of having orations by a number of the graduating class, and instead have field and class day exercises, which are followed the next day by an address by some public man. In accordance with this rule, at 8:30 o'clock this morning the field day exercises were held on the different campuses. At West College L. C. Bentley delivered a farewell address to prepdom, which was followed by a class song on the scenes of prephood. At Middle College Miss Anna Florence Young delivered a farewell to Science Hall, which was followed by a song. At the School of Music Edward Dunn delivered a farewell to that department, followed by a song. At Ladies' Hall Miss Cora Bennett delivered the fare-

lowing humorous song: "O doughty 'dorm,' to thee-Hashhouse and beanery-Thy name we sing. With girls and appetite, Your ples are out of sight-Our praise we bring.

well to the "dorm," followed by the fol-

"O glorious hostelry, Heaven of cambric tea, Prunes, fast and prayer, Such a hotel as thee O may we never see On life's tempestuous sea,

Or anywhere." At the class tree (planted in 1890) Rev. F. F. Dimmitt rendered an oration, "Farewell to the Tree," followed by a song. The seniors all wore their caps and gowns, and the exercises were witnessed by a large crowd. At 10 o'clock, in Meharry Hall, came off the literary class day exercises proper. Admission was by reserved seat ticket, and only those holding tickets were admitted to the corridors of East College. Every seat was taken. The seniors put on a buriesque oratorio entitled "Sue Story of Glory." The "Seem Phunny" orchestra of twenty pieces accompanied the soloists, who were designated as mezzo-soprano, first bass and shortstop. This aggregation presented a variety of discords and provoked great merriment, as being a take-off on the festival orches-tra. The events were programmed as overture, containing one-hundred-yard dash, Ben Hurdle race, high fly, upper F sharp and mile walk. The programme was full of college jokes, pathos, wit and humor, and was greatly enjoyed by the fortunate holders of tickets. In the afternoon an open class meeting was held. In addition to being class day, the regular exercises of the society of the alumni was held, the business meeting coming off at 8 o'clock a. m. At 2:30 p. m. the oration before the Phi Beta Kappa Society was delivered by Hon, Charles J. Little, D. D., of Garrett Biblical Institute, a large audience attending. At 8 o'clock p. m. the annual reunion and banquet of the Society of the Alumni was held. The literary programme was given in Meharry Hall, and consisted of an address by Charles N. Sims, D. D., L.L. D., class of '59, of Indianapolis. The usual banquet was dispensed with, and in its stead at Ladies' Hall a pleasant and enjoyable re-The thermometer marking 95 degrees in the shade detracts from the pleasures of

Y. M. and Y. W. C. A. Day at Earlham, Special to the Indianapolis Journal.

RICHMOND, Ind., June 12.-Last evening Rev. Henry L. Nave, of Huntington, Ind., delivered an address entitled, "Life with Advantage," before the Y. M. and Y. W. C. A.'s. He reviewed the work of the Y. M. C. A., now celebrating its jubilee year in London. At 2 p. m. to-day occurred the commencement exercises of the biblical department. There were six graduates from the shorter of the two courses of study. The address to the class by Rev. M. M. Binford, of Richmond, was a fresh, spirited presentation of the duties of the modern preacher. This evening was the occasion of the joint exhibition of the Phoenix and Ionian literary societies. A pleasing programme of music, recitation, tableaux and orations was well rendered. A tableau en-titled, "Past, Present and Future-Amer-ican," was the hit of the evening.

Tennis Tournament at Hanover. Special to the Indianapolis Journal.

HANOVER, Ind., June 12 .- Yesterday's tennis tournament was the best and most hotly contested that has ever been played at Hanover College. The final and decisive series was played between Cutler and Williams and McCain and McComb. The score was 6-2, 6-3 in favor of Cutler and Williams. The prize offered by the Athletic Asociation was a beautiful silver cup, appropriately ornamented with tennis scenes. This cup goes to the successful contestants of each year. The winners hold the cup for one year, or long as they can. The names of the winners in doubles each year are to be engraved on the cup, which will be kept in the college library. After the tournament the prize was awarded by Professor Culbertson in a neat little speech.

West Point Exercises. WEST POINT, N. Y., June 12 .- The final ceremonies connected with the graduating exercises at the Military Academy took place in the open air under a huge canvas to-day. Gen. John C. Black, of the board of visitors, made an address to the graduates, and Brig. Gen. George D. Ruggles delivered the diplomas. The class numbers fiftyfour, with cadet Ladue at the head and cadet Moss at the foot of the general merit role. Clarence E. Lang, the ninth member n the graduating class, and Miss Mamie Kenkle were married immediately following the graduating ceremony. Mr. Lang was appointed from Tiffin, O., and his bride is a daughter of Sergeant Kenkle, a West

INDIANAPOLIS GOES AFTER SIOUX CITY WITH THE STICK.

Hart Hit Very Hard While Phillips Pitches Effectively and Is Well Supported-Results Elsewhere.

Indianapolis met the Western League leaders yesterday for the first time on the home grounds, and took the game by clean, hard hitting. The Sloux City team set a hot pace, and before the crowd had time to think much about it the visitors were five runs to the good, and had a lead which required some uphill work for Indianapolis to overcome. That sort of work was forthcoming, however, and from the fifth inning on Sharsig's men were strictly in the game. There were a thousand people out, and they enjoyed the hard hitting which Indianapolis did during a portion of the time. Shields, the new shortstop, made his first appearance and created a favorable impression, accepting seven chances out of eight, and hitting the ball in good shape. Schaub caught Phillips in creditable style, his twobagger in the seventh coming in very good play. Dalrymple had a hard running catch in short center, and, in fact, the entire team played good ball, the only error being a fumble by Shields. Two remarkable catches of very hard drives saved Hart from getting even a worse dose than he received. One of these was a long fly by Gray in the seventh inning, which was taken right off the left center fence by Hogriever, after a hard run. The ball would have struck the fence on the fly, and the catch was a fine one. Genins took a fly from Dalrymple's bat in the third, after a tremendous run, which was equally as brilliant a play.

There was some excitement in the second inning. In running to first on a little ground hit that rolled between pitcher and the line, Hogriever attempted to kick Phillips as he went by him, the pitcher being in the act of picking up the ball. Phillips rose with the ball, swung it into the runner's back, and then, taking good aim, fired it after him, catching him right between the shoulders. There was no damage done, however the umpire reprimanding the Indianapolis pitcher, who justified his action by showing that the base runner had made a de-

liberate attempt to cripple him. With two men out in the first inning, Phillips sent Genins to base on balls, and he scored a moment later on Newell's twobase hit to left. Stewart struck out, but Schaub let the third strike get by him and Newell scored, Stewart being caught at second trying to make that base on the error. Indianapolis picked up one in the second, when Mills hit safe and was forced out at second by Henry. The latter stole second, and was batted in by Leidy, who hit safe to left, but who was doubled with Shields on the latter's hit to Newell Camp's Shields on the latter's hit to Newell. Camp's base on balls, McCauley's single and 1 long fly by Hart gave the visitors another run in the second, and in the third they added two more on singles by Marr, Newell and Camp, Genins's life and Stewart's sacri-

Motz was hit by a pitched ball in the fourth and Mills went to first on balls. Henry hit safe to center, scoring Motz, but Leidy flew to Stewart and Shields hit to McCauley, the latter play resulting in a double, as Mills was caught between bases on it and run out. In the fifth the home team took the lead, Schaub starting out with a base on balls. Phillips and Dalrymple were retired at first, Schaub reaching third on the outs. Gray, Motz, Mills and Henry followed in succession with safe hits, which, together with Camp's fumble of a thrown ball, yielded four runs. Leidy was retired at first from short. With two out in the sixth, Phillips hit to right for three bases, but Dalrymple was retired at first. In the seventh, after Hogriever had made his phenomenal catch of Gray's fly, Motz hit safe. Mills was hit by a pitched ball, and Henry followed with a nice one to right, which scored Motz. Leidy's fly to middle let Mills in, and Shields hit safe to right, scoring Henry. Schaub dropped a two-bagger in right center, sending Shields around. Phillips flew out to Marr. Sharsig's men thought they would play safe, so they took on four more in the eighth, Dalrymple leading off with a triple to the right-field fence. Gray and Motz followed with singles and Mills with a double, the result being two runs. Henry flew to Camp, Leidy reached first on balls and Shields hit

right for two bases, sending Motz and Mills home. Schaub hit to Newell, who threw Leidy out at the plate, and Phillips forced Schaub out at second. Phillips was very effective in the fourth, fifth, sixth and seventh innings, allowing the visitors but three hits, all singles. They made a futile effort in the eighth to catch up, but the lead was much too great to overcome. Stewart hit safe to center and Camp followed with a home run to right but that was all they could do, the side being retired without further damage. Jones was put in to relieve Hart in the ninth, and, though with two out, the home team had two men on bases, no runs resulted. Henry striking out. In the last half a single, a double and a base on balls filled the bases with Siouxs, but there were two out, and the best Twineham could do was to pop up a little foul fly to Schaub, and the game was over. The uniforms of the two clubs are alike, and the only means of distin-guishing friends from foe yesterday was by the black stripe around the visitors'

MUNCIE, Ind., June 12.—The Lebanon ball team pulled itself together in the last inning to-day and came very near beating Muncie for the second time. Williamson had been hit but five times previous to this. Both teams put up a good game, but Muncie did the best batting. Niblock's home run for Muncie in the fifth and one by Ellis, for Lebanon, in the ninth, were

Sioux City Again To-Day.

This will be ladies' day at the ball park, and the fair sex will doubtless be liberally represented at the second game of the Sloux City series. Cross may be in the box for Indianapolis. Both he and Camp were effective against the leaders when on the latter's own grounds, and with "Bumpus" Jones pitching for them today's contest should be worth looking at. The local people have nothing to report in the way of possible or probable deals further than has already been stated. With Cross out of it, something will have to be done quickly in the way of securing another pitcher. Two men cannot well carto come from is still uncertain.

Baseball Notes. President Golt goes East to-day for

three weeks' vacation. The Indianapolis players were paid last evening for the first half of June. The Sentinels defeated the police at Brighton Beach yesterday 15 to 14. Sioux City to-day and to-morrow, and Grand Rapids Friday, Saturday and Mon-day. Toledo comes next week.

There is a story out that the Sloux City team is to be transferred to Bay City and Saginaw, its remaining home games to be divided between those two Michigan points. Manager Watkins denies the story, how-ever, and says that although the attend-ance is light at Sioux City, the club is strongly backed and will finish the season

Phillips and Hogriever, who had a little misunderstanding in yesterday's game, were members of rival teams in the Pennsyl-vania State League last season. The former pitched for Johnstown and the lat-ter played in the outfield for Easton. This league had a double championship schedule, and these teams were winners each of a race, Johnstown winning in the final series to determine the championship.

EVENTS AT BUTLER.

Demia Butler Society Exhibition-High School Contests.

The fourteenth annual exhibition of the Demia Butler Society was held yesterday morning in the college chapel at Irvington. The following programme was given: Essay by Miss May Brayton, "Silas Warner;" declamation by Miss Mayme Atkinson, "The Low-backed Car;" essay by Miss Laura Mace, "College Experiences." After the presentation of diplomas by Miss Georgia Butler, three scenes from the "Love Chase" were cleverly presented by Messrs. Jeffries, Atkinson and Lepper. The programme was varied with cello and violin music by A. H. Schellschmidt and Tom Layman.

Immediately after the performance a luncheon was served in the college reception hall to members and alumni of the Demia Butler Society. The guests were seated at two long tables, the floral decorations of one being roses and of the other water lilies. Pansies, the society emblem, were placed at each cover. The following toasts were given: "The World of Books," Miss Katherine Merrill. Miss Merrill was the English professor at Butler when the society was instituted, and in many ways molded and made it an exceptional literary society. She was followed by Miss Noble, who, after Miss Merrill, gave her help and support to the society. Miss Noble spoke on "College Culture." Miss May Shipp, a charter member and one of the first presidents, responded to the toast, "Conversaappreciative and beautiful talk on "Demia Butler." The last sentiment responded to was, "Has the College Literary Society Seen Its Day?" which was answered very emphatically in the negative by Miss Fran-Yesterday afternoon the interscholastic athletic contest was held at Shimer's track.

A. G. McCulloch, physical director of the Indianapolis Y. M. C. A., acted as referee. The judges were Professor Demarchus Brown, W. M. Blount and George Knepper; the timekeepers, Al Joss, F. P. Robinson and Herbert Goe. In the total score the Indianapolis High School came off victorious After the contest a number of the contestants met Mr. Mann in the gymnasium and plans were laid for the formation of

a permanent organization. The reception last night to students and alumni at President Butler's of the college, was largely attended. This morning is class day. Exercises will begin at 10 o'clock in the college chap-This evening the alumni banquet will held in the gymnasium. John D. Sears on Trial.

John D. Sears, who is charged with sending through the mails a letter barred by the federal statutes, was on trial before Judge Baker and a jury yesterday. The story of his alleged offense was printed in these columns at the time of his arrest some months ago. The case of Grant Morton, a young man from South Bend, who is said to have

car there, is in the jury's hands. His story was also published at the time of his

BIG LABOR ORGANIZATIONS.

CONFERENCE OF LEADERS OF THE

FOR UNITED ACTION

They Adopt a Plan for Lessening Strife-Convention of the American Railway Union.

ST. LOUIS, June 12.-The committee on resolutions in the conference in session here of the leaders of the American Federation of Labor, Knights of Labor, Locomotive Engineers, Locomotive Firemen, Order of Railway Conductors and Farmers' Alliance was late in completing its work, and as a result to-day's session did not begin until nearly noon, and then behind closed doors. The conference spent some time in considering the report, which consisted of six sections. It was finally agreed to, as follows:

"First-A conference of representatives of organized labor of North America shall be held semi-annually, the first conference to be held Feb. 22, 1895, in the city of Washington, for the purpose of considering ques-tions and designing plans for the protec-tion and advancement of the toiling masses. "Second-The representation in such con-ferences shall be from the General Assembly of the Knights of Labor, the American Federation of Labor, the various brotherhoods or orders of railway trainmen and such national and international organizations of wage-workers and farmers as are not affiliated with any of the before-men-tioned organizations. Provided, any such national or international organization is not organized to antagonize or undermine any existing bona fide national or interna-tional union of the same trade or calling. "Third—Each organization is entitled to

representation in the conference, provided that the basis shall consist of three men for each organization.

"Fourth-The officers of future confer-ences shall consist of a president, secretary, treasurer and executive committee of one from each organization represented. "Fifth-For the purpose of preventing strife and antagonism between labor organizations we declare that there should not be a dual organization or authority in any trade or calling, and that in all matters of trade conflicts, boycotts and trade labels the union particularly in interest should have absolute authority and autonomy.
"Sixth-Recognizing that corporations and the moneyed class of the country are dom-

inating and dictating the legislation of the Nation, the State and the municipalities, to the detriment of the interests of the toiling and wealth-producing millions, and recognizing further that the power of wealth has subordinated the executive, judicial and military forces to its behest, thus under-mining the underlying principles of our Re-public, endangering its Constitution and lending to deprive our people of their cher-ished liberties, we declare that the working masses should throw off the yoke of political partisanship and vote independently in order that representatives of the wealth producers of America may be fully represented in making and executing our laws." Section 5, declaring against dual organization, evoked much argument, but was finally carried by a vote of 12 to 5. It was decided to indorse congressional bill No. 5603, introduced by Congressman Maguire, of California. It provides for the abolition of involuntary servitude among sailors ship-ping from American ports. It was also de-cided that each organization represented submit proceedings of this convention to their respective organization for action, later on to report to a provisional committee of three empowered to publish proceedings and arrange for the next conference to be held in Washington Feb. 22, 1895. Messrs. Sargent, of the locomotive firemen, Maguire, of the federation, and Hayes, of the K. of L., were chosen as this commit-

Mr. Samuel Gompers then introduced the following resolution, which was unanimous-

'Resolved, That this conference of representatives of organized labor of America has learned with profound pleasure of the successful termination of the efforts of the miners for improved conditions, and we hereby tender to the United Mine Workers of America our sincere congratulations on their victory, and urge upon the workers of our country the necessity and advan-tages of organizing for common protection and advancement to the end that their share may be large in the products of their labor, and that they may thus be greater defenders and promoters of their rights and A few minutes after 7 o'clock the confer-

ence adjourned sine die.

AMERICAN RAILWAY UNION. First Quadrennial Convention of the New Labor Organization.

CHICAGO, June 12.-Four hundred and fifty delegates were in their seats when the first quadrennial convention of the American Railway Union convention was called to order to-day by President Eugene V. Debs. Vice President Howard opened the proceedings with a brief address, reviewing the success of the organization from the start. He said: "A convention of this kind has never been held in America before under one banner. With one object, we are bound to succeed. We are to-day gaining members at the rate of two hundred per day."

Mr. Howard was followed by President Debs, whose speech was enthusiastically received by the delegates. He attacked Carnegie, Frick and George M. Pullman, charging them with hypocrisy and pharisaical fraud. Their business, he declared, is to rob and degrade workingmen and

Referring to the strike of the coal miners, President Debs said it was for a principle, and that the purpose of the miners was as patriotic as ever prompted man to battle for honor and home. "Gratitude is ne said, and the American Railway Union cannot afford to forget the assistance the miners gave it in the Great Northern strike. The time will come, if it is not here already when the union will refuse to handle a pound of coal mined by nonunion men."

The only action of any importance taken during the afternoon session was the passage of a resolution strongly denouncing the Tawney bill now before Congress. The bill compels arbitration between railway companies and employes and on all occasions of trouble between a company and its

Master Car Builders.

SARATOGA, N. Y., June 12.-The twentyeighth annual session of the Master Carbuilders' Association met here to-day. The annual address of President Grieves stated that all roads were suffering from the effects of general business depression. He spoke of the advance being made in all kinds of railroad appliances and enumerated several combining special features. He favored the establishment of the association on a more permanent basis. Reports of the secretary, J. W. Clough, of Chicago, and the treasurer, G. W. Demorest, of Baltimore, were received and accepted. The treasurer's report showed that there was \$5,462 in the treasury.

McKeesport Strikers Rebuffed. PITTSBURG, June 12 .- A committee appointed by the citizens of McKeesport to effect a compromise between the strikers and the National Tuke Works Company called upon General Manager Converse today, and were informed that the company had no proposition to make. The management, he said, was satisfied to keep the works closed for the present.

Train Dispatchers' Association. CHICAGO, June 12.-The Train Dispatchers' Association of America opened its first annual convention to-day. A large number of delegates were present, and the day was taken up by the discussion of technical subjects.

Board of Charities Report. The report of the Board of State Charities, for six months past, shows the number of inmates of the insane hospitals to be 2.881, and of the correctional institutions, 2,419. The cost of maintaining the insane was \$269,363.46, and the earnings were \$1 .-097.25. The cost of the correctional institutions was \$101,383.29, the total being \$523,-172.25. The report shows a wide range of prices paid for food. The Central Insane Hospital pays \$3.20 a barrel for flour, the Northern, \$2.57 and the Southern, \$3.16.2-3. The Reform School for Boys pays 68 cents for potatoes and the Southern Insane Hospital 40 cents. The Central Insane Hospital pays \$5.05 a hundred for fresh beef and the Institute for the Blind pays \$7.

Supreme Court Records.

The Supreme Court records are now reindexed, the work having been completed yesterday. Thirty-five hundred dollars was appropriated by the last Legislature to do this work. The index now covers the long period from the organization of the court up to the present time and attorneys will find it a great convenience.

ONE OF THE BEST FEATURES

Of the Pyramid Pile Cure

Is the fact that it cures every form of Piles without one particle of pain. This de-sirable point is not obtained by the use of injurious opiates, which simply deaden and paralyze the nerves of the parts and make matters worse in the long run. But it is done solely by its remarkably healing and soothing effects. And while it thus gives immediate relief, at the same time the disease is not merely checked, but a radical cure is readily accomplished. And the point we want to make clear is that all this is done without a particle of pain. The Pyramid Pile Cure has been before the public too long and its merits recognized by too many people to allow it to be classed

with the many salves, suppositories, pills, etc., and you run no risk in trying it, as is often the case with new and untried preparations. If you are ever troubled with any form of piles or rectal disease do not forget the Pyramid Pile Cure. Prepared by Pyramid Drug Company, Albion, Mich., and sold by all druggists at \$1 per package.

THE UNBEATEN DOMINO WINS THE WITHERS STAKES.

Henry of Navarre Only a Head Behind-Other Events at Morris Park-Results at Latonia and St. Louis.

NEW YORK, June 12 .- The attendance at Morris Park to-day was large, although the air was sultry and exertion was anything but pleasant. The attraction was the timehonored Withers stakes, for three-year-olds, for a mile, with the unbeaten Domino making his first appearance this season in a race against Henry of Navarre and Dobbins, two of his chief competitors as a two-year-old. The only one of the crack three-year-olds needed to make the battle the greatest of the year was Senator Grady, but he is being saved for the Chicago Derby. When the flag fell Garrison took three lengths the worst of the start, but got into a comfortable position as soon as they began to climb the hill. Nahma was then in front with Dobbins following and Henry of Navarre next and Domino in fourth place. These positions were kept until the head of the stretch, when Taral carried Domino in next the rail and let out a link. Down the hill the five horses came almost side by side, with Nahma a trifle ahead. Here Nahma weakened and was out of the race, while Dobbins was under the whip. It was all over for all but Domino and Henry of Navarre, at the last sixteenth and the riders were driving their mounts for all they were worth, but try as hard as he might, Garrison could not gain an inch on the black colt in front of him and the race was over, with Domino a head in front. It was a grand race and showed that at least one Himyar can stay. Utica was the favorite in the first race, but was not placed. Re-

Fast Time at Latonia. CINCINNATI, June 12 .- There were seven well contested races on the card to-day. The day was clear, and in spite of the weather three thousand people sizzled in

the grand stand. The track was the fastest of the meeting, and splendid time was made. Flora Thornton's mile was run in 1:40%, within a quarter second of the track record, while the local record was equaled in the Merchants' stake, which King Lee won in a grand finish by a bare neck. Three favorites, three second choices and one outsider came in with the money. Results: First Race-Purse, \$500; six furlongs. Car-rie H. won; Ellen Douglass second, Violetta

ST. LOUIS. June 12.-The attendance and sport to-day were good, the feature being Wildwood's work in the handicap, running the mile and sixteenth in 1:471/2, the first mile going down in 1:42. The talent, though patronizing the books well, did so to little advantage, but two favorites winning. The start on the last race was such as to bring upon starter Richard Dwyer the execra-tions of the crowd, who hissed and jeered him until after the race was finished. Re-First Race-Six furlongs.
